

The latest incarnation of 'Dr. Who' is playfully pleasant

Freema Agyeman climbs aboard the TARDIS with David Tennant in the new season of "Dr. Who."

"Dr. Who" series has returned on Feb. 10. I don't think the show's been as good as it once was.

Having said that, I think the new Doctor is quite good. He's got a nice way of talking. He's a very nice guy. The

new Doctor is a special one. He's got a nice way of talking. He's a very nice guy. The new Doctor is a special one. He's got a nice way of talking. He's a very nice guy. The new Doctor is a special one. He's got a nice way of talking. He's a very nice guy.
